Why should you vote?

Voting is one of the most powerful ways to make your voice heard in our democracy, but in 2016, 43% of the eligible voting-age population (nearly 100 million Americans) did *not* cast a vote for president; and 38.6% did *not* vote for any office.

In 2016, the Black voter turnout rate declined for the first time in 20 years in a presidential election, falling from a record-high 66.6% in 2012 to 59.6% in 2016.
